Sir,

RATIONING ESTABLISHMENTS - CONTINUANCE OF.

With reference to your letter No.C.5085/44 dated 2nd May 1945, requesting that the particulars of the establishments required to be continued during the year 1945-46 may be furnished, I have the honor to state as follows:

Statement 'A' showing the staff that were continued in accordance with Government Order No.SD.1151. 55/A.17-44-2 dated 18/24th August 1944 and those that were sanctioned during the current year is herein enclosed for reference.

Proposals have been sent in this office letter No.R1.242/44 dated 5-1-45 and subsequent reminders dated 3rd Feb.1945 and 17th May 1945 to accord sanction to the entertainment of one more Driver on Rs.40/- and one more cleaner on Rs.15/- since sanction has been accorded for one Driver and one cleaner, while there are two lorries under my charge. They are, however, working in anticipation of sanction.

Additional Staff consisting of two clerks on Rs.40/- each p.m. and two literate attenders on Rs.15/- eac p.m. for two Circle Offices have been recommended to Government in your letter No.C1.3085/43 dated 13-8-1944.

A recommendation was also made to accord sanction to the entertainment of one Senior Accountant on Rs.60/- in the Rationing Office but subsequently in reply to your letter No.E2.205/44 dated 4th May 1945, it has been modified in my letter No.R1.214/44 dated 11-5-1945 that the services of the extra Accounts clerk on Rs.30-3-60 would be sufficient to get through the work.

Sanction of Government has not yet been received granting conveyance allowance of Rs.30/- p.m. to each of the Asst.Rationing Officers for which a recommendation was made with this office letter No.R1.16/43 dated 1st March 1945 and subsequent reminder dated 5th May 1945.

There are at present 18 Retail Depots in the City in addition to 6 subgodowns and six reserve godowns details of which are given in the Statement 'B' which require sanction of Government.

The question of effecting retrenchment in the existing establishment was looked into and found that there is no possibility to reduce the number of staff as the Offices are working with the barest minimum necessary It may be pointed out in this connection that the Offices of the Assistant Rationing Officers have been given one clerk each on Rs.30/- p.m. each which as previously stated is quite inadequate to push through the work efficiently and expeditiously.

I, therefore, request you kindly to accord sanction to the continuance of the establishment so long as the Rationing Scheme in Mysore City continues.

I have the honor to be,
Sir,
Your most obedient servant,

As the existing staff itself is capable of reduction due to the reduction in the number of Government managed depots, the proposal for increase in staff cannot be supported. The ~~xxxxxxxx~~ creation of circle offices has also reduced work in the Central Ration Office. The Accounts staff is sanctioned according to a basic scale which is quite adequate. Anyhow, the question of additional staff should not be mixed up with that of continuance. The continuance of existing staff may be recommended.
